

P3 has been a long standing member of ISN World and AESC. It's employees are Safeland Certified.

As importantly, P3 has the financial resources to stand behind its work, as well as a comprehensive safety program.

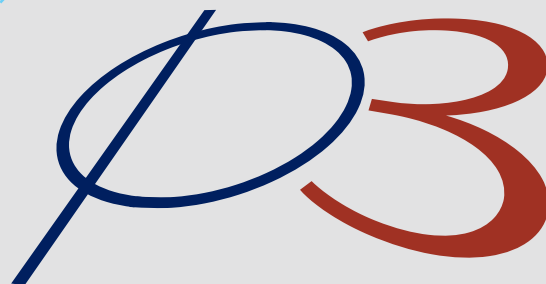

SafeLandUSA

P3's formula for success is simple:

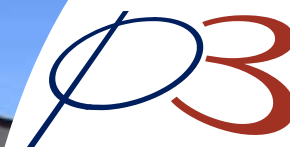

- Deliver value, ensure results,
- Hire only the most qualified, experienced professionals,
- Listen carefully to our customers situation and goals, and provide an honest assessment,
- Use our expertise to formulate strategies that best fit the customer's objectives, and implement them efficiently,
- Offer all of our services at fair, competitive prices, and deliver them with pride,
- Provide a work environment that optimizes leadership,
- Recognize and reward employee contributions,
- Enforce safety as its number one priority.
